“ Dear Family of Margaret
I loved your Mom. She was in Manor Care where my Mother was until December. I would stop and visit her all the time because she was always cheerful, loved her family and she smiled all the time. I know she will be missed. She never complained. What a lady!
Sincerely, Norma Deyaert

“ Dear Bernadette, I was so sad to read Margaret had passed away. My heartfelt sympathy to you. I sure liked visiting with the both of you when my Mom was in Manor Care. I had known Margaret for many years. The Dickinson Inn was when i first met her and then later when i worked for the Intermediate School. She was the crossing guard on the corner of A and Prospect. We had brief but everyday conversations. She was a very special lady in my eyes.

“ Dear Bernadette & family, We were saddened to see that Margaret had passed away. She was a good friend and neighbor for many years. She did a great job with the kids with the cross-walks, and always had a smile for everyone she would meet. We've missed her on our block ever since she moved out of her house. In God's own timing we look forward to seeing her again one day in Heaven. Until then our thoughts and prayers are with her family. Randy & Kay Cleveland
