“ *Tom, Scott, Chris*
I recall the days of growing up near your parents - your dad was my principal and your mom taught me CCD when a child. You were neighbors of ours for years when we lived on Harding and you were on Wilson. Your mom and I stayed in contact over the years - even if it ended up being just at the holidays. What a wonderful woman who always brought a smile to whoever she saw. God truly has another angel - God bless all of you and your families.

“ Our deepest sympathy to all of the family, we were truly saddened to hear of Peggy's passing. Peggy and Bob were such great neighbors. They were always so kind, giving, and generous. Your entire family has been so good to us over the years, from Chris watching our kids when they were little, to Tom photographing our daughter's wedding, to all of you shoveling our walks and drive when we were out of town. May God bless, keep, and comfort you during this time of sorrow.

“ My sincere sympathy to Peggy's family. I was saddened to see that Peggy has left us. It was a real privilege to know this gal and to work with her in GFWC Iron Mtn. Kingsford Women's Club and otherwise. She was a real example of a Christian life. Her love of the Lord shown through and I have no doubt she is now at peace and resting in His arms. Keeping all in prayer at this sad time. God's comfort be with you.

“ I began working at Michigan Bell in Iron Mountain in the fall of 1963 at the age of 18. Peggy was one of my supervisors and I have never forgotten her kindness. She always made a special effort to include us "out of towners" who were young and far from home. Bob and Peggy often hosted dinner parties and never forgot to include us. God Speed Peggy ❤️. So sorry to hear about Peg's passing. I will always remember her and Bob as being two of the most kindness & caring people I ever knew. I was a 11 year old altar boy at their wedding. Peg did so much for her community and her church. I can still remember her sitting outside of St. Mary Queen Queen of Peace Church selling raffle tickets for the Carmelite tea, regardless of the weather. I was always honored to be a relative of the St. Louis family. They set quite an example for me to try to live by. She and Bob are now at peace with each other. Joe Novara
