

Margaret M. Steiner

October 25, 1934 - October 16, 2020

Margaret Steiner lived a full life (October 1934-2020).

In her 86 years she experienced a deep, abiding love with Joseph, her husband of 67 years. She was a fun-loving mother and grandmother. Over the years she was a mentor, teacher, and coach to so many of this community's youth. She was a trailblazer and champion for girls athletics as she formed and coached the first girls gymnastics and track teams, as well as volleyball teams for women and teens. She was an exceptionally gifted, self-taught artist who shared that gift as an art teacher for adults and children through the Dickinson County Community Schools. She shared her flair for drama, song, dance and comedy as a member and organizer of the Amidon Follies, an entertainment variety show performed by our talented local seniors.

Margaret's years of service to our community was formally recognized by Governor James Blanchard and the State of Michigan for her outstanding community spirit and her contributions to public education. Margaret lived her past few years quietly in Manorcare; however, the complications from COVID-19 proved too much for this little dynamo. Her family grieves deeply for her and for all families whose lives have been impacted by this pandemic.

At Margaret's request, private family services will be held.

“ Mrs Steiner was my friend, my mentor, my other mother, my best friend and my best friend’s Mother. I have enjoyed so many years as a member of the Steiner family and I’ve never been more proud. Kimmy and Margaret and Big Joe and Joey will always be in my heart ❤️. Margaret made such a positive difference in her life that many of us will ever have the privilege of reaching. We all lost a huge ‘dynamo’ in life who influenced an amazing numbers of young and elderly! How lucky and blessed are we all to know and love ❤️ the Steiner Family. You made the best difference in my life. I love you always. Love ❤️ you. Tina

“ So sorry to hear of Margaret's passing She and my mom were classmates and friends throughout their lives. Mugs painted a poster for my grandfather to put in his bar (Spin's) announcing my wedding. So beautiful and so kind of her! Kim, I hope that memories of happier times help you through these sad ones. So many lives were touched by your mom and all are the better for it! My deepest sympathy.

“ I lost my sister, the late Dixie Brown this past summer so this hits hard. The Covid took her because of the loneliness she suffered from being isolated from her family for so long. My brother-in-law, the late Richard Brown hired Margaret to teach a painting class for Community Schools many moons ago. My mom, the late Beulah Spigarelli, took the class and painted a little girl under a tree. We still have the painting. Your mom also painted a picture for my sister Dixie of a Native American girl that hung in her house for years. I taught with her when she would sub for one of my teaching colleagues at Alternative Ed. and we would have loads of fun. One time she came in and said she'd been painting a room in her house and had fallen off the ladder. She was in her seventies and still climbing a ladder. The amazing thing was she had come to work! Calling her a dynamo, is an understatement. She was a remarkable person who left an indelible mark on the lives she touched. I am happy to have known her. God Bless.

“ I had Mrs. Steiner as a gym teacher when I went to St. Mary’s and St. Joe’s. She was a firecracker but always kind. When I started going to public school in 7th grade, we went to school camp. Being straight out of Catholic school I was apprehensive to say the least. So I get to the camp and there is Mrs. Steiner. She was one of the camp counselors. She hugged me and I felt so much better. It was such a comfort having her there! She truly was my angel. My deepest sympathies

“ It saddened me to see today that Margaret has passed away. I would see her at Manor Care when I went to visit my mother. When Nick and I got married Augie Caruso gave us a painting of a Tiger that she did. It was beautiful. We had it hanging in our house for many years. She was talented, energetic and brought a lot of joy to the community. We send our deepest Sympathy to you and your family.

“ Joe and family, I've been wondering how you and Margaret were, knowing she was at Manor Care. My very deep sympathy and sadness as I read this news on Facebook tonight. I missed seeing you both with Manor care being closed for visiting. That darn Covid! She always had a smile and so glad to see me when you and she sat in that one spot in the waiting room as we entered. Her singing, dancing etc brought a lot of joy to others over the years, Keep the happy memories of your loving wife and mother who was a ray of sunshine to others. My love and prayers at this difficult time. She is at peace and Jesus has already welcomed her to her new heavenly home. God Bless you.
