“ So very sorry for the loss of your mother. I remember her well. When we were children our brothers played hockey together as I recall those very cold days at Kaines Rink and your mom still with a smile on her face. She lived next door to my Aunt Mary and was so very kind to her. Ninety-two years.....what a wonderfully long life you got to share with her!

“ My Grandma ❤️❤️❤️
You were the one to teach me cards, while we watched the Price is Right, and drank tea. You always were there to listen when I had a hard day or if I had an exciting adventure to share. You taught me how to make the BEST peanut butter cookies.
I love you grandma and I will miss you. Jesus promised that you would be like an angel in heaven. And I will see you again.
