“ Dear Wayne, and family.

You have my deepest sympathy. Although I have not seen you or Marge for a long time, we used to have some good chats together when we worked for George. My Stew passed away 2 1/2 years ago, so I know what you must be going through. Just have to keep putting one foot in front of the other, remember all the good times, and know that she is in a better place. I will keep you in my prayers.

Sincerely,

Carol
