“ *I have many good memories of Mari Pat. She used to come and spend time at our house when I was about ten years old. My Dad and her Mom worked together at the Felch Co-op and we got to know each other that way. I have a picture of her attending my 10th birthday Party. I smile when I think of her and our friendship. My thoughts and prayers are with you.*

“ Lee, Brent, Goober, Gail and extended family. We are so sorry to have heard about your (our big sister) Mari Pat. She spoke so highly of her children and grandchildren. She was so proud of each and everyone of you. We are going to miss her terribly. I am so thankful that she was there for us while going through such a difficult time with our dad. Staying up until 4 or 5 in the morning playing skipbo and catching up on our lives while keeping a watchful eye out on dad will be forever in my heart. She was such a very special person to each and everyone of us. We're going to miss her infectious laugh, company and love she showed to all of us!!

*Love and prayers to each of you

“ To the friends and family of MariPat, I knew her in high school. It's only been a few years ago, like 40. I am very sorry for your loss. I wish I hadn't lost touch with MariPat for so many years. It sounds like she had a great life. Children and grandchildren all come with Love and that is what life is all about. She was dear to me and my heart sank when I heard that she had died at home. I pray she had not been sick for long, and that all of you know where she is now. Love and prayers Dawn Harder Peacock

“ *Mari & I worked together for many years at Northpointe. She was a true and treasured friend. She always teased me because she is 3 months younger than me. She called me the old lady. My sincere condolences to all of you. Mari talked so much about her children and grandchildren I feel like I know you. You were all the love of her life. I will miss her greatly.*
