“ *To Marie's Family, My Mom thought the world of Marie, And I am sure
When Marie arrived in Heaven my mother greeted her with open arms,
as surely there was a place for her.*

“ *Your mother was a very caring soul, who will be missed by all those she came in contact with. We were witnesses to how she always seemed to be looking out for the other ladies at Christian Park Health Care Center. We only knew her for a short time but she always met you with a smile.*

“ *I have lots of memories of Marie Anne when I was growing up; going to the movies with her and other cousins, Sunday dinners at my parent's house, and being together on our Grandparents Rosenlof farm. I remember that she had an excellent voice and would join in the singing at family events.*

I will miss my "Cuz."

“ Marie and I were only 20 days apart in birth. Her parents were my godparents and my parents were her godparents. So many memories, swimming together, as teens, and children, school, visiting, etc. Miss her. Condolences to her family.
