“ Marilyn, I would never miss your celebration of life if Mother Nature had not intervened. You would have to join the angels in mid winter. We are snowed in and no plows in sight. Driving a Ford Focus and over an hour commute, I will honor your memory. You were an inspiration and a dear friend. Richard and I will visit Bill. Your memory will be cherished and your legacy lives on. We send our condolences to Bill and family. I'm sure Melody, Dan, & Nancy will greet you a heaven's gate. You are truly loved!

“ *Marilyn, Rest In Peace. You were truly a dear friend though out the years. We toasted in many new years staying awake way past midnight with you ending up making breakfast for everyone. There was always laughter, good food, and alcohol. Best of all was the friendship and family atmosphere. You are loved and will truly be missed!*
