“ As I grow older, I often think back to my childhood and to those who made a difference in my life, both as a kid, and throughout my adult life. Amongst many, there were two who stand out. My gradeschool band teacher was one. Mrs. Lindgren was the other. She was my piano teacher from 1967 through 1974 and meant more to my musical life than anyone. I continue to play to this day in major part to how she taught me. She let me develop not into the musician that she wanted, but into a musician that I wanted to be. She made it fun for me.

She will always have a special place in my heart. I owe so much to her.

*Sadly missed.

“ re. my previous entry..... I left out a few names.....I also remember great grandmother Marion coming to see to see Aaryn and his siblings, Caressa and Bryce, at Woodland Elementary. Being blessed with grandchildren and great grandchildren meant that Marion must have attended more than one's share of school programs, Halloween parades, and recitals. She did it with a smile!

“ To all of Marion's family,

Marion was such an amazing woman. I am sure you will dearly miss her but her recipes and the memories you have of her will live on. May you find comfort in those memories and each other. Marion was my daughters' piano teacher. (Andrea and Margot Ouimette) We visited and talked about her family and her garden when she came to our house for their lessons. She was so lively and interesting. I would see her in subsequent years when Heather, and then Andy, were in my class . She would come to see her them in programs. She was such an active grandmother and dearly cared about all of you. My prayers are with you at this time.
