I don't know you girls and your families, but I did know your mom. Marge and I went to school together, and I've always considered her my friend. Though we didn't see each other for many years, I'm sad to know that she is no longer with us. You have my sympathy. Kathy (Huffman) Wendt

“Marrgeee, as my son Kevin Johnson would call her, was a wonderful women. She would babysit for me at my home, to make everything convenient for my son. This was back in the early 80's. The older kids were in school, and Marge loved taking care of Kevin. She was always available, always happy, and always a blessing. RIP Margie. Debi Tirschel.

I didn't know your Mom to well but sure enjoyed visiting with her when we were in GA. Ann, you've been such a rock star for the family first helping CAROLYN with Tim and then taking in the care of your mother. So we proud to have you as part of the family. You, Tim and all the rest Of the family will be in our prayers asking God for comfort at this time. Know we love you.
