We are truly sorry to her of your loss. Marlene was always such a fun loving person. Her warm smile will be surely missed. Both of us are thining of you with deepest sympathy and heartfelt understanding.

Honoring the memory of Marlene, the mother, grandmother, and friend.

*You can shed tears that she is gone
Or you can smile because she has lived.*

*You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left.*

*Your heart can be empty because you can?t see her
Or you can be full of the love that you shared.*

*You can remember her and only that she is gone
Or you can cherish her memory and let it live on.*

*You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love
and go on.*

*We have many fond memories of her.
Sincerely,

“ Dear Fredericks Family,

I am so deeply sorry for your loss of your dear wife, mother, grandmother, sister and friend. I personally believe that Heaven is a better place with her presence there, as earth was a better place with her here.

Having watched Jerry from afar, and with Ryan, I have prayed daily for you and the family in which I still consider my own. Nothing I say here will take away the pain, though I wish it could.

Marlene was the most special woman I ever met in my life. I am very proud that she was my mother-in-law. I respected and loved her tremendously and continue to be envious of the relationships she had with her husband and children. She walked hand in hand respectfully with Ron and raised her children in a true partnership with him. They have treated one another as equals, with neither of them having the "upper hand".

She always cared sincerely for other people, while never "butting in". She was a compassionate woman with a very strong understanding of her place on earth. She never questioned herself or doubted the strength of God. She, in my opinion, was an Angel. She did all the right things, all the time. She enjoyed so much time with her family, as the door was always open in her heart. Even others that were not relatives, she would welcome with open arms.

I am truly grateful for her guidance and wisdom in regards to Ryan. The way that she treated him will always be appreciated and respected. He loved his grandma very much, and he will miss her and her cooking and treats that she always had for him.

My memories of her are fond. I hurt deeply, but I know she's in a better place. Though I am glad she's not suffering her battle any longer, I am deeply concerned for the family, and continue to pray for the strength from above to get you through this time. Somehow, I

know that Marlene's strength is guiding us all, and especially those she loved the most in life! Please know my thoughts will be with you all, always.

HERE'S TO MARLENE A. FREDERICKS... The best woman I every knew. May she rest in peace, and may she know how deeply she was loved by all.
