“ *When someone we Love becomes a Memory,
Their Memory becomes a Treasure,
Always and Forever in our Hearts!*

I will always remember the fun times we had 'back in the day' when our parents got together and we all had a great time and made loads of memories, especially at the Northwoods or out at our Sturgeon River home and camps. Your parents were so loving and caring to everyone they came in contact with. Last time I saw them was at the casino and had a nice chat with both of them. I am sorry for your loss, but also glad they are together again like they always were!

“Kathy, our thought & prayers are with your family at the loss of your dear Mom! We have a hard time just believing that this has actually happened, so soon after losing your Dad.

We have lots of memories of those days at camp and Friday night fish fries. Marlene always had that special smile and twinkling eyes that told you she was really connecting with you and listening. Her love of shopping, especially for good bargains, was legendary. Think she just loved being around people.

She was so awesome with Tim, teaching him how to post before he was even able to hunt. We will all treasure great memories of a wonderful woman and a good friend for many decades.
