“ Dear Cousins,

I cannot imagine the deep loss you must be feeling to have lost your brother at such a young age. My heart aches for you and your families. I was so saddened to hear about Marty. I just remember him as being the little guy with the great big smile.

May the Lord uphold you and give you great comfort during this difficult time. I pray that you will find rest, peace and strength in the God who has promised to carry us when we put our lives into His loving hands.

May His abundant blessings be on you,

Your cousin, Pat

“ Dear Family,

I was sorry to hear of your loss. I pray that God will uphold and comfort you during this time. Even though families get so spread apart, we still have a tie that binds and we share in each other's sorrow.

I remember having loads of fun sledding across the street from your house with Marty, Kevin, Lynn, and my sister, Marita. Sometimes I think it would be nice to go back and experience that again for just a little while.

Praying for you, your cousin, Chris

“ Sundholms,

I am so sorry for your loss. Though emails and online web postings, Betz had spoken so often about Marty, her uncle that was so close in age, that I felt like I knew him (and his fabled humor). I feel for the extended family and hope you find continuing comfort in the blessings his life brought to you all. Betz, a special big hug for you and Derek in this trying time.

“Marty was to me as he was to anybody that met him...Marty was my good friend. I loved our talks, his jokes(most of them "borrowed" from his dad), his silliness and his true love and pride for his friends and family. I love you and will miss you soooooooooo much, Marty! xo My thoughts and prayers to all. Nat
