“ *Sally and Peachy,*

*My condolences to you and your families. I just returned from Europe this week and was not aware that your mom had died. I would have attended the funeral had I known. I went to the cemetery today to put flowers on the graves of my parents and aunts and uncles. The Bartolameolli-Broullire plot is a few yards away so I stopped to say a prayer for Mary. That section of the cemetery is filled with many family members and I'm sure they have a good sized section in heaven now too. Your mom was the sweetest woman and a lady in every sense of the word. I know your mom's passing left a huge hole in your heart. May all your memories of her help ease the pain and fill the void. Thinking of you and holding you in prayer.*

*Alice*

“ I was very sad to hear about your Mom. She was a very classy lady and passed that trait down to her daughters. You both took such good care of her.  
And Peachy, I have a wonderful memory of the time we took our mothers to the Polish mass in Norway. I know you'll have many more memories to cherish. We were blessed with great Moms.  
My condolences on her passing.

“ We extend our sincere sympathy for the loss of your mother. We remember when you were cleaning her house to get ready for a sale. It is difficult to lose a parent and realize we are the next generation of seniors. Lots of good memories of life on the north side.
