“ *To Mary's Family,
Mary was so very proud of each and every one of you. She loved to
share the stories of her life, and also a joke or two, even though her
voice had become quite frail. I was fortunate to have had the
opportunity to join her table at Victorian Pines when I traveled once
a month to visit my parents, Willard and Nette. She worked for a
long time on her poem and would recite the latest edition with pride
and sometimes with tears as it came from so deep within her heart.
She never complained about her physical condition and yet always
shared compassion and encouragement to others. It was an
absolute blessing to me to have known Mary and I treasure her
memory. God Bless our sweet Mary*

“ Kathy & Barb

Despite the miles and the years, I think about our childhood neighbors quite often and especially when I drive by your old homestead on Woodward Avenue. Your parents were both really nice to me always even though I probably tested their patience at times as a kid. Nothing got past Mary as you know! God Bless her. If you ever drift by Carpenter Road at Spread Eagle during the summer, make sure to stop in to see us! Take care.
