“ To the family of Max,
I was so sorry to read of the passing of Max. I had the opportunity to work with Max at Central school for many years. He was the kindest, gentlest man I have ever worked with. He always had a smile on his face and a twinkle in his eye. No job was ever left undone while in Max's care. Anytime I ever needed something done or fixed in my school room, Max never hesitated to help me. Your family was truly blessed to have had such a wonderful man as a husband, father, and grandfather. My sympathy is with you and your family

“ I'd like to say I will miss Grandpa Mac very much as he was a very sweet and kind soul and the grandfather of the man I love, Scott Paul Trempe.
I am sure his memory will carry on thru his grandson and I pray that God welcomed Him with open arms. He will be missed greatly by Scott and by me also as I hardly got a chance to know him but I still have great love and respect for him
