“ *I only have known my sister Max for 25 years do to my being adopted as were several of my sisters. Since meeting Max, we we of the same cloth for sure. We have visited many times over the years, the last was a year ago. I am sad to have lost her and even sadder at the loss of all the years prior. We last spoke two months ago, for almost a hour. I will miss her. She is in glory land and my heart will always have a place for her memory. —brother, Larry*

“ *Thoughts and prayers are with you all during this difficult time. We have all been a part of each other's families since we were young, and although we have all moved away and have not seen one another for years I still reminisce about our younger days and the memories of your sweet mama.*
My heart hurts for for you all.
