“ *Maymie was a dear friend of my Grandmother Gunhild Franzen. Yeras ago they worked together as well as attended church. Lenard, Maymie, and my grandparents would take long car trips just to go have dinner and spend the time visiting. Later in life I would take Communion to Maymie at her home. I remember one time picking Maymie up and bringing her to Manor Care, where my Grandmother was, letting them visit and then giving them both Communion. That is one of the most memorable moments of my life. God Bless you Maymie and say hello to Grandma from me. :)*
