“ Thank you all for your beautiful words for my sweet, loving, and kind sister. I have never read these before and stumbled upon them today. It gives me a great feeling to know that so many people, some of whom I do not even know have prayed and shared memories of Megan. Thank you.

“Dear Connery family:  
Megan will be greatly missed by many. She always had a smile on her beautiful face. She'd come into the N.D. Co. Library & browse all the books before choosing one or two books to read and she'd give me a big hug before she left. She reminds me so much of her grandma Mary. My thoughts and prayers are with you all. May God keep you strong.

“ My daughter Holly would draw little pictures on my chalkboard at school. One day Megan added to her drawing. Holly was so amazed at the cute characters that she wrote "save" by it, so the janitors wouldn't erase it. After a few weeks Megan and Holly had filled half of my chalkboard with these cute little drawings. Finally, Holly wanted to meet this great artist. I asked Megan if I could introduce her to Holly and when they met Holly was in awe of her. They continued their drawings until the end of the school year and I will never forget Megan's inspiration she gave my Holly. To this day Holly has notebooks full of drawings and doodles. Thank you Megan for your love of drawing and being so kind to my Holly.
