

## Meghan Kathleen Paupore

September 9, 1994 - March 25, 2020

Meghan Kathleen Paupore, 25, of Randville, passed away on Wednesday, March 25, 2020, at St. Vincent Hospital in Green Bay from complications of pneumonia and acute respiratory distress syndrome.

Meghan was born September 9, 1994, in Marquette, MI, beloved daughter of Matthew a Kathleen (Hooper) Paupore. Meghan loved attending school at the Willis Center adult classroom and would get mad if the snow cancelled her day. She love to collect odds and ends – her favorites being nail polish, Mardi Gras beads, Barney DVDs, a huge bag of chocolate she never ate, and holiday themed socks she always wore on the wrong occasions. Valentines socks on Halloween? You bet, such a teaser. She especially loved her family, her iPod, and the Jonas Brothers. Joey Jonas was her “boyfriend.” She loved shopping. It didn’t matter where. If you gave her time to “think on it,” she could always come up with something she needed, like camouflage pants at Cabelas.

She is survived by her parents, Matt and Kathy Paupore of Randville; a sister, Jacklyn Paupore (Jim Chartier) of Crystal Falls; a brother, Eric Paupore (Caitlin Dorton) of Randville; her maternal grandparents, Jack and Susie (Martin) Hooper of Iron Mountain; aunts and uncles, Jeff (Georgeanna) Paupore, Judy (Dom) Buonocore, Beth Linn, Bill Hooper, Sheryl (John) Maloney; and numerous cousins, Westley, Joe, Allen, Emma, Jordan, Angela,

Jack, Truett, and Lander.

She was preceded in death by her paternal grandparents, Westley “Jim” and Edith Paupore.

Visitation will be held from 3:00-5:00 pm on Sunday, June 12, 2022 at the Erickson-Rochon and Nash Funeral Home in Iron Mountain. A memorial service will follow at 5:00 pm at the funeral home. Pastor Joe Basso will officiate.

In lieu of flowers, donations in the memory of Meghan Paupore may be sent to the Willis Center Adult Classroom, 1074 Pyle Drive. Kingsford, MI 49802.

“ I remember when dear Meghan was born, then had to have her heart surgery and I prayed for her and her family; I remember being at family gatherings and Meghan sharing her beautiful love and joy with everyone around her and I was grateful for her life because she was such a beautiful example to us all how to truly love others; I remember when I learned she was in the hospital and then had to be on a ventilator and I prayed for her and her family; and the news of Meghan's earthly life ended and I prayed and continue to pray for her family to have the peace of Christ that loves Meghan and her family and that all will be united. Meghan has a beautiful soul and grateful to God for having a small part in knowing and loving her dear soul!
