

Melany E. Laydon

February 7, 1959 - October 29, 2025

Melany E. Laydon, 66, passed away peacefully at home on Wednesday, October 29, 2025, with family at her side.

Mel was born on February 7, 1959, in Crystal Falls, MI, the daughter of Benjamin and Betty (Pierce) Applin. She graduated from Kingsford High School in 1977 and married her high school sweetheart, Jim Laydon. In 1981 Mel and Jim moved to California where they started their family. They later moved back to Iron Mountain to raise their children in the U.P.

Mel worked at Iron Mountain Public Schools for more than 30 years and served as the Scholarship Administrator for 20 of those years. During that time, she implemented 34 new scholarships and the Western Incentive Scholarship program, making IMHS one of only two schools offering the program in the state. She worked tirelessly to help students and families secure monetary awards to further their education. Through her work, IMHS was able to award over \$10 million dollars!

Mel enjoyed the outdoors, gardening, bird-watching, beach combing, cooking, and a good Cab Sauv.

Mel also loved to travel. Once retired she spent time visiting Duluth, Door County, countless waterfalls, and the Pacific Northwest with her partner, Tom. She also reconnected with high school friends on several "Girls Trips."

Mel's greatest joy in life was her family. She traveled near and far to watch her grandsons play soccer (and cheer loudly). Sundays weren't complete without having Adam, Danielle, Gavyn, and Ryken over for the Packers game and snacks, hoping at the end of the game everyone would still be cheering GO PACK GO! She enjoyed wine tasting and exploring the Pacific Northwest with Ashlie and Garren.

Mel is survived by her daughter, Ashlie Laydon (Garren Andrews) of White Salmon, WA; son, Adam (Danielle) Laydon of Kingsford; two grandsons, Gavyn and Ryken Laydon; two sisters, Christine Ameen and Lisa (Ray) Goudreau; partner, Tom Zimmerman; and beloved rescued cat, Josie.

Mel was preceded in death by her loving husband of 44 years, Jim; her parents, Benjamin and Betty Applin; and two brothers, Michael and Kelly Applin.

Visitation will be held 11:00AM - 1:00PM on Saturday, November 8, 2025, at the Erickson-Rochon and Nash Funeral Home in Iron Mountain. Services will follow at 1:00PM at the funeral home. Pastor Michael March will officiate. Burial will be held Monday, November 10th at 11:00AM at the Iron Mountain Cemetery Park.

In lieu of flowers, a donation can be made to the Almost Home Animal Shelter - a cause near and dear to Mel's heart - at <https://almosthomeanimalsheltermi.com>.

“ *Dear Ashlie, Adam, and Family,*

I was deeply saddened to learn of the passing of your mom, a former neighbor, colleague, and most importantly, friend. For over 15 years, we worked together at IMHS; Mel as the Scholarship Coordinator and I as the Guidance Counselor. She devoted her days to helping students navigate the college process, offering kindness, encouragement, and steady support.

Please know that you were the center of her life, and she spoke of you all often with so much pride and joy. I will remember Mel for her caring heart, her laughter, and the lasting difference she made in so many students' lives. I know she will be deeply missed.

Sending you all love and strength during this difficult time.

“ I can honestly say I would not be where I am today if it weren't for Mrs. Laydon. During high school she helped me in so many ways including getting out of a bad situation and helping me apply for college and scholarships. She went above and beyond because she truly cared. Through her work, she has impacted SO many people that in turn have made the world a better place. The world has lost a beautiful person and I am so sorry for her loved ones.

I was with Mel at her new home that she built out in the country just 3 miles from me the night before she passed. We even continued to text once I got home. She loved it there in the country and I loved her out there too. We were able to reconnect our friendship of years ago and see each other frequently. Our get togethers always included a drink, venting, hugs and many, many laughs. I always left feeling so much better about life in general. We had a way of doing that for each other. I am so blessed to have been to Myrtle Beach with her and the girls and Panama City with them also. She will be missed by many! Love you girl!

To Mel's Family,

*She loved you all.
I was working with her at IMHS when she first became a grandmother. Her joy and excitement was so heart-warming. She often talked about all of you with pride and lots of love.
Mel was fun to be around and her humor, quick smile and laughter were always appreciated in the high school setting and on non work occasions. She was a wonderful example of the virtue of helping others, especially her scholarship students.
I consider it a blessing to have known her and worked with her. The world lost a good person but heaven gained a new resident.
My sympathy to all of you. May your memories of her, in time, make you smile with love.*
