“ I have so many memories of Uncle Merle. Living across the street from Grandma Cannon's we got to see him almost every night when he would come with his family to visit. I also remember him and my dad and my dad always giving him such a hard time because he was the baby of the family. I remember his laugh and I will always remember the visit I had with him in December.

Rest in peace my dear uncle and to my Aunt Marie and cousins Pat, Danny and Mike, I know this loss and is it painful but the only real death of a person is in forgetting them and as long as we all remember and talk of him, he will never really ever be gone. Love to you all,  
Amy & family
