

Michael Ryan Bond

September 28, 1971 - August 12, 2024

Michael Ryan Bond, 52, of Augusta, Montana, passed away on Monday, August 12, 2024, at his mother and stepfather's home – enveloped in the love of his mom, sister and cousin – following a valiant battle with cancer.

Mike was born in Missoula, Montana, on September 28, 1971, the son of William “Bill” Bond and Carol (Hanson) Troy. In 1972 Bill and Carol moved to Iron Mountain, Michigan, where Bill went to work in the family-owned business, “Bond Decorating,” which was established by Mike's great-grandfather. Mike was raised in Iron Mountain and was fortunate to grow up in a tight-knit Italian family.

A proud Yooper, Mike graduated from Iron Mountain High School in 1990. While in high school, he played football and wrestled and was known to his friends and community as “Bondo,” “#73” and “The Avalanche.” Sports played an important role in his life, and Mike was very proud of being named the U.P. Michigan Athlete of the Year and Iron Mountain's Lineman of the Year Award. Mike earned a full-ride football scholarship to the University of Wisconsin Oshkosh, where he played for the Titans as #73. While he was there – after a notable six years – he also earned a bachelor's degree in biology.

After college Mike worked in construction for many years, from the high rises of Chicago to the forested terrain of western Montana. In 2009 he made the

move back to Montana, where he was on the Bridge Division for Sletten Construction with projects that took him throughout the Big Sky State. He was a proud member of the Laborers' International Union of North America.

Affectionately known in Montana as "Big Mike," Mike was a loyal and true friend. He excelled at building relationships and cherished his friendships. Mike had a quick sense of humor, a kind heart and a boisterous laugh. He valued family, both his immediate and extended, and always made it a priority to be present, from game nights to weddings and holidays.

While his life was shorter than we would have liked, he filled it with work, play, road trips and more. Mike enjoyed hunting, telling stories, eating good food (and had a sweet tooth that was unrivaled), going to the family cottage, enjoying the water and helping at his stepdad's farm and ranch. When he wasn't working his day job, he could be seen cruising the farm in a truck or side-by-side, feeding cows, helping with calving and soaking up life along the Rocky Mountain Front.

Mike lived his life to the fullest and had no regrets. A committed and proud Catholic, he was content with a life well lived and considered every day a blessing. He was at peace at the end of his earthly journey and looked forward to seeing Jesus again.

Mike is survived by his mother Carol and stepfather Pat Troy; his father Bill and stepmother Rita Bond; sister Stayce and brother-in-law Adam Rhodes; niece Keona and nephew Gavin; stepsiblings Patty Troy Howland, Tia Troy, Nick Troy, Angela Rhodes and David Peterson; as well as beloved step-nephews and step-nieces, aunts, uncles, cousins and friends.

Visitation will be held on Saturday, August 31, 2024, from 9-10:45 a.m. at the Erickson-Rochon & Nash Funeral Home in Iron Mountain. Funeral services

will be held immediately following at 11 a.m. at St. Mary and St. Joseph's Catholic Church. Fr. Mark McQuesten will offer the Mass of Christian Burial. Interment will take place at Iron Mountain Cemetery Park.

Thank you so much for the pictures and your thoughts on Mike!❤️. He loved working with Sletten and made so many friends with the people that he worked with. Many of you kept in touch with him throughout his 4+ years battle with cancer even though he could no longer work with you guys. He talked fondly of so many of you and I hope that some of you can make it to Augusta on Saturday to help share memories and say goodbye.

“ I’m going to miss you so much❤️. Three summers ago when you were two years into your cancer journey, and I believe your spiritual journey, you shared with me your confidence in your salvation and your faith in what Jesus had actually done for us on the cross. Your testimony is helping me now get through your leaving us too soon as I am sure others as well. You were a free spirit here, but now I see you free from all human limitations dwelling in your ‘new place’. You were a man of love, unfailing hope, Compassion, persistence and joy. I’m so proud to have been your auntie.
