“ I was so sorry to hear of Mike's passing. Even though we haven't been in touch probably since we were kids, my mother has always kept me informed of the family. Obviously it was much harder to hear things after Sylvia and Holger passed away. They were my Godparents.

I just wanted to tell you that Mike was the one that helped teach me and my brother Duane to ride a two wheeled bike at the house in Quinnesec.

If I remember right, Mark & Debra Grunland, Mike and I were all born the same year. I have pictures of some us as babies sitting on someone's sofa (I think my Grandma Burkman's). I also have pictures of some family dinner of my parents, Sylvia & Holger, Bob & Darlene and others at Great Grandma Grunland's house in Foster City.

Please accept my deepest sympathies.
