“ I will miss you so much Mike! Every time I have a cup of coffee or listen to XM Radio (Classic Rock Channel), i will think of our long lasting Friendship and the good times we had. I'll try not to be sad. But its hard. I will celebrate your life and create new loving memory's of your family now and in the future. This I promise!

I can't tell you how much i appreciated your moral support and great sense of humor through the years. I will keep those silly nicknames we gave each other so we could make each other laugh until tears dripped down our faces.

I also want to thank you mike.. for making me apart of your family. I truly felt loved by you and your Family. I always felt welcomed when you invited me over for dinner and gave me the chance to spend time with your kids. I was truly blessed by this. Thank you!

It was a privilege & honor to see your family grow. Your Loving children and Bonnie mean the world to me. I promise to be there for them and support them always! You were an amazing man Mike. Thanks for being my Best Friend and Music Buddy.

Love,

Tony Caruso

“ Our family is so sorry for your loss. Our thoughts go out to you. I
know Mike was a great guy from hearing about him from others. I
never got to meet him face to face, but we would say hi across the
backyard when Jaimie lived there.

“ Lise and family,

I am so deeply sorry for your loss. I know words can never take the saddeness away in moments as these, but they do give you the comfort to know you have so many loved ones around to be there for you when you need them. I pray God will give you comfort in your time of sorrow and guide you into knowing your loved one is in a better place.
