“ Many wonderful memories were made when the Neuens & Kitchel families came together. Beginning in Aurora, the start of a life long friendship, to being out on the farm and picking up where we had left off from our last visit. It was just so natural all of us being together. We loved being there; and, wishing that we didn't have to leave when it was time to head for home. The time together just wasn't long enough. We shared a lot of laughs and good times; however, today we share your tears. My prayers go out to each and everyone during this time and know that Mike holds a special place in my heart. I will always remember his smile.

“ Larry,

I was saddened to read about the death of your brother. My prayers are with all of his family.

Did you retire back to Aurora?

We retired to Boulder City, NV to get out of the cold and humid weather because of arthritis. What is so great besides better health is we don't have to shovel sunshine.
