“ I am sorry for your loss and wish to express my deepest sympathy. Although tall in stature, Mike never looked down on anyone. He also could find humor in most situations and bring people up when feeling down. I know that he is smiling on us now, and hopefully that knowledge can comfort you in your loss.

“ Mike, my classmate and friend

*Mike was a person who was always kind
The most generous guy you'd ever find
Never a judgmental word he spoke
He'd laugh out loud at the simplest joke
On his face he always wore a smile
If you needed his help he'd walk a mile
He was a role model for all to see
The type of person you aspired to be
His work ethic was to be admired
His caring heart would inspire
A humble man, never conceited
He picked you up if you felt defeated
A loyal classmate & a friend
Our memory of Mike will never end*

Your family is in my thoughts and prayers during this time of loss. However I know that no one is more deserving of eternal paradise than Mike. I am positive that the first thing Mike heard was "well done my good and faithful servant?". He lived his life with honor. No matter how long it was in between seeing Mike he always stopped what he was doing to say Hi and see how my life was going. An encouraging word and smile was always given. He treated everyone I knew with kindness and respect. It never mattered to Mike what you had or where you came from. The world would be a better place if everyone lived life the way Mike did.

*With warmest regards and deepest sympathy,
Christie Mitchell*
