“ This message comes long after Michelle's untimely death, but I wanted to express my belated sympathy to her family in case they check back on this page again. I went to college with Michelle at UW-Eau Claire. She had a wonderful sense of humor, a great smile and beautiful eyes behind the big glasses she wore at that time. I remember we went to the bargain matinee of "Dirty Dancing" at least a few times and swooned over Patrick Swayze. We were great friends our senior year in the broadcast journalism program, but we lost touch after graduation. The last I knew she had moved to the Upper Peninsula. I relocated to the UP myself several years ago and occasionally wondered if she was still in the region. I finally decided to follow through on my curiosity and search for her online. It was with great shock and immense sadness that I discovered her obituary. I deeply regret waiting so long to try to reconnect with her, especially since she had been living only 90 minutes away. It was a "Never put off for tomorrow what you can do today" lesson learned the hard way. I have nothing but fond and funny memories of Michelle. It was an honor to have known her even for a brief time. She left way too soon.

“ Randy, Jake, and Sam:

I was SO shocked to hear of Michelle's untimely death. I am so sorry that I could not be there for you all when this happened. She was an awesome mother, great wife, and one of the best people I ever had the honor to meet. She always went out of her way to make me feel like one of the family, even when she herself was not feeling well because of circumstances beyond her control. She will be greatly missed by all who met and knew her.

All my love to the Forcey's,

Keturah

“ I have had the pleasure of working with Michelle at the post office for the last year. Although I have only known her a short time, Michelle and I had many talks. She was one of the greatest people to work with. She was very upbeat, bubbly, and friendly. She was always talking about her family. My thoughts and prayers go out to her family in this most difficult time. I can say I am speaking for everyone at the post office when I say Michelle will be deeply missed. We miss her already and have for the past few months.

“ I had the pleasure to work with Michelle at WJNR-Hitz 101 for 2 years. She was one of the best News Directors I ever worked with; a true broadcast professional. But mostly I remember her smile and wonderful sense of humor. My deepest sympathy and thoughts go out to you Randy and to your children during this difficult time. God be with you all.
