“ *Katie and Family,  
May God give you comfort and strength during this time of loss. It surely was a pleasure to have met Mikael 10 years ago and to have had him as my lawyer all this time! He was a caring and kind person! He was an excellent lawyer and very professional! I always called him my big teddy bear because he would be very quiet and professional when he needed to be and he knew when to speak up and growl in a professional manner just at the right time! I surely will miss him! Katie it was a pleasure meeting you in Marquette when you drove him to one of my court cases. Hugs and prayers sent your way! Deborah F.*

*I'm so sorry to hear of his passing.  
He was a good man and a great lawyer. I am indebted to him for the legal service he provided me personally and for my business, he always made time to say hello and ask you how you were doing when he seen you, Mikael showed a great respect for our veterans and as a veteran I very much respected him for that.  
Mikael will be missed by his family, friends and colleagues but will always be remembered as a caring, sincere and honest individual.*

“ *Katie and family,*

*I had the privilege of working with Mike at Peter Ryan's law office from July through Dec. 1996. My grandfather passed away on Dec. 16, 1996, and I'll never forget what Mike told me. He said "No one can take away the memories you have of your grandfather." I took great comfort in those words, and I've never forgotten them. I've lost my other grandfather, my 2 grandmothers and my dad since then, and I've remembered Mike's words to me during each of those times. I hope they will bring you comfort as well. No one can ever take away the memories you have of Mike.*

“ *Dear Kate, Nikolas and family,*

*I was saddened to learn of Mikael's death when reading the newspaper this afternoon. Please accept my deepest sympathy at your loss. While I did not have the privilege of knowing Mike, the tributes on this site certainly clearly show he was an exemplary individual. His generosity in supporting a variety of programs at the Dickinson County Library was certainly one of the ways Mike showed his support and encouragement in the community.*

*You will be in my thoughts and prayers during this trying time.*

“ I'm so sorry to hear of his passing.

*He was a good man and a great lawyer. I will forever be indebted to him for legal help and genuine care and concern for me during a very difficult time in my life. He stood up for me and my daughter in a very honorable way. He made such an impression on my daughter during this time that she chose to go to law school as well. She is a legal aide attorney and continues to help vulnerable people like Mike did.*

*He was a blessing and will be missed.*

*Praying that God will comfort you during this time and the days ahead.*

*Sincerely,
