“My sincere condolences to the family. While my dad, Rudy Ballo, was a resident at the VA hospital in Iron Mt. and later on at the Medical Care Facility in C,Falls, Mickey would stop by to visit my dad. They would share stories from long ago and laugh and laugh. Those visits really brightened up Rudy's day. My dad passed away on Oct. 1, 2011, I miss him. Stay strong and cherish the good memories.

*Dear Marie and family,
I want to forward my condolences to you on the loss of such a wonderful husband and father. You may not remember me, but you and your husband showed Pat and me such gracious hospitality when we visited your home about 45 years ago that I will always remember it. I remember you two always laughing together. You have wonderful memories to cherish. God Bless you.*
