Today I was remembering the time I attended ITT in Hoffman Estates (1992). Your father came to mind. He was my first instructor. He taught me a lot about electronics and he always had great stories to tell. Sorry for your loss. Mike Laputa

“ Here is a little poem I wrote for Milly.. Hope you all enjoy it and then there is a inspirational saying that I found that I wanted to share with everyone. It reminds me of Milly:

### MOTHER

*My mom shes very kind and gental  
But please don't get her mad  
I promise you if you do  
You'll wish you never had  
She may look like a little lady  
some one to boss around  
but don't make that mistake  
She will hit you with a frying pan*

*God looked around his Garden and found an empty place.  
He then looked down upon his earth and saw your loving face  
He put his name around you and lifted you to rest.  
His Garden must be beautiful, he always takes the best.  
He knew that you were suffering, he knew you were in pain.  
And knew that you would never get well on earth again.  
He saw your path was difficult, he closed your tired eyes,  
He whispered to you "Peace be Thine" and gave you wings to fly.  
When we saw you sleeping so calm and free of pain,  
We would not wish you back to earth to suffer once again.  
You've left us precious memories, your love will always be our  
guide,  
You live on through your children & grandchildren, you're always by  
our side.  
It broke our hearts to lose you, but you did not go alone.  
For part of us went with you one the day God called you home.*

“ To Grandpa Gene (aka grumpa) & Grandma Milly,

*I am so sorry were not able to make it up there. But in our hearts and souls were so fortunate to have been apart of your life. We will miss you so much Milly. You were an inspiration for me to be a better mother to my children. You showed me how to be a better mom, to love and cherish my children no matter what. If it were not for you and Gene I don't know what or were I would have been in my life. You both took me in when I was homeless with a 3 month old baby. I was so scared, lost, and afraid. But you didn't care. Both of you guys welcomed me with open arms. You showed me love, compassion, and what a true family is. I thank you both for giving me an inspiration to live. For my upbringing was so misfortunate. Me being a stranger in your home with defenseless baby you both showed me the most love anyone has ever showed me in my life. I will never forget the bees attacking milly cleaning out the shed. The happy and the sad nights sitting drinking coffee at the kitchen table. The persistence of teaching me to be a better mom. Still to this day I do fold towels only the way Milly taught me. I am so sorry I went out on my own journey and forgotten about you guys. My love is and always will be there you Milly. I want to thank you again for EVERYTHING you have done and given me. #1 your unconditional love for not judging me, for loving me for who I am not what everyone wanted me to be. I am so sorry I didn't call you the other day like I told Kevin, I will never forgive myself for the last opportunity of being able to say hello. Now I have to say good-bye and it is killing me inside. Now I will learn don't take time for granted for you will never know when will be the last time to say good-bye.*

LOVE ALWAYS

CHRISTY, SHAWN & EVETTE

FOREVER YOU WILL ALWAYS BE IN OUR HEARTS
