“ Al,

I am so sorry for your loss. I did not know Nancy well, yet she impressed me because she was so outgoing and easy to talk to. You two were always so personable and obviously enjoying your lives when I would see you at various functions. May God give you strength and peace. My sympathy to your sons and extended family as well.

“ Dad, so sorry to hear of Ma's passing. She seemed pretty chipper when we visited in August and I hoped she would pull through once more. Questions keep popping up that I would love to ask her - cooking and crafting advice. They will wait until we meet again! Wishing you peace and comfort. Love, Deb

“ We had similar experiences with educator husbands & us at home crafting, sewing and comparing notes on everything from soup to nuts back on N. River Drive in Gwinn and again upon retirement in Dickinson County. I will miss her bubbly phone conversations & excitement over each new craft she tried. She was a wonderful upbeat, helpful, considerate friend. Our sincerest sympathy to Allan, Tony, Deb, Nino, & Nick. We will never forget the happiness & laughter she brought to all who knew her.

“ Nancy was such a joy to have in my classes. She and Allan were two of the many students I had as I was beginning my teaching. She was always happy, smiling, and just a hoot.... and she always brought the best treats! She knew I had four boys at home and one with an appetite, she referred to him as "the stomach" and would always offer the leftover treats to me to take home to "the stomach". Although I haven't seen Nancy in a very long time, I have thought of her often. I am so blessed to have met Nancy! My deepest sympathy.

Sincerely,
Susan Moll
