“ I find myself seeing more Butterfllys than ever these days, Only to mean Aunty Nancy is along side of me for the everday battles & joys. I miss her even tho I only saw her when I went home once a year. She always made you feel so special in her presence. In my younger years when times where difficult I went to her w/ many problems & she made everthing seem like it was just Small Stuff & she was right. My love to Uncle Wayne & Cousins..... I am comforted in knowing she is just a Butterfly away. Love to all!

“ Dear Wayne and wonderful neice and nephews,  
Our love and prayers continue to be with you in these more difficult days of realising we won't see Nancy in our daily journey any more. She is missed by us too, but we know it is even more difficult for each of you. We love you very much and are here if you need us. God loves each of you and so do we.
