“ To the Trembath Family,
My deepest sympathy for the loss of Nancy, As, she was one of my dearest and closest friends.
We had so many good times and laughs. Many trips to Milwaukee and sleepovers. And the phone calls. We had good times working together, dancing, goofing off, just acting like a couple of nuts. I would'nt trade those memories for the world. I miss her so much and I always will. I was so privigled to have her as a friend. We clicked the day we met and had so much in common.
Also, she was the best to me when I had my accident. She was an angel.
My deepest sympathy to the family.

“ Dear Peter and family,

I am a classmate of Nancy's. I am so thankful that we reconnected again at our last reunion. We have been e-mailing back and forth since then. I have such fond memories of Nancy from high school. She always had such a sweet spirit that was still evident when I last saw her. I will keep you and your family in my prayers this holiday season. She will be missed by many...

“ Peter and family,

I have been a friend and classmate of Nancy's since Kindergarten. I am sorry to have missed the chance to give my personal condolences, but I was not able to make the visitation.

I was lucky enough to catch up with Nancy many times during the years and remember how excited she would get before she was ready to make a trip to Texas.

She was a great person and will be missed in many ways.

*God Bless,
Wendy*

“ Nancy and I reconnected last year at our 30th class reunion. We have been emailing back and forth since then, I praying for her and she praying for my husband. My husband just passed away on 11/24/08 I am so thankful and blessed to have had Nancy pray for him. Nancy was a loving friend and was graced to have known the Lord. It is with comfort to know we will meet again and she is now without pain or tears in that special place called heaven where our Lord has a special place just for her.

To the surviving family, my heart breaks for you as I know the deep sadness and feeling of loss you are going through, which I am going through with the loss of my husband.

Nancy say a big hello to Bob up there for me, until we meet again...Love, Dana Zini

“ I am a classmate of nancy's and have seen nancy around the iron mountain area many times throughout the years. Especially at superone where i shop. We'd always stop to chit chat and catch up. I am so sorry for your loss. I truly believe nancy was here for a mission to mankind that some of us cant understand, but after seeing and talking with her, i walked away more calm and not thinking about my own trivial problems anymore. She will be missed.
