“ We attended Channing High together. SO sorry to hear of her passing. Visited with Naomi a few times in Iron Mountain. She was so gracious and loving. She and her mom, Orpha were both super ladies. May the Lord bless you with comfort and loving memories.

“ I graduated from North Dickinson with Naomi and we roomed together on our senior trip to New York. She was fun and funny. She was really kind and genuine. I hadn't seen her in a long time and ran into her one day. She was working at the nursing home then and I'm sure they enjoyed having her. She never changed a day in the 45 years between graduation and when I saw her a few years back. I will miss not knowing she is in my world. Rest In Peace, Naomi! My condolences to her family.

“ *My mom was a resident in the memory care unit of Evergreen where Naomi worked. Naomi was so wonderful with all of the residents and I always felt comforted in the care she gave to our mom. She was always smiling and positive. She sure had a great impact on our mother's last years of her life. I was saddened to hear that Naomi wasn't well. I'm glad she isn't suffering anymore and I just know she is up there bringing joy to all who went before her. May she rest in peace. My condolences to her family.*

Naomi was a wonderful caretaker of my wife and mother-in-law while they were residents at Evergreen Assisted Living. Her kindness and caring spirit is unmatched. The Lord has taken another angel.
