My prayers are with you as you go through this time of your lives. You've been in my thoughts a good deal lately, and isn't that what life is made up of? Memories...I pray you'll keep those of your mom close at heart to help you through this time.

*My prayers are with you during this difficult time.. Your Mom was courageous with her very difficult medical problems. .She is now no longer in pain and is at peace with your Dad and Paul.
