“ *I saw Nicole often in the halls of Norway High School, and really enjoyed talking with her. She was always upbeat and her winning smile could "light up" anyone's day. Unfortunately, I did not get to know Diane, your wife and mother, but I can truly feel your pain. I lost my son-in-law in 2005 (age 30) due to an industrial accident, and I felt like I was living a nightmare, and couldn't wake up. This tragedy turned our lives "upside down".*

The best advice I can share with you is to gather your strength from your faith, family, and friends. As time passes on, it will also help to lessen your pain and healing will begin.

I am sending you my deepest condolences and may God bless you with extra strength during these sad times, Frau Eveline Grimes

“ Dear Nicole,

I love you so much and miss you just as much. I knew this day would come but that doesn't make it easier. You were a wonderful sister. I will always remember you and treasure our sleep over we had in December. We laid there telling stories and laughing. You were by far the joyous thing in our family. Your nieces miss and love you as well, they talk about you often. Randy really misses you and is torn to pieces not having you here. You are a beautiful woman and you have blessed us with your smile. You are an inspiration to me for many many things. I know now that you are running in heaven and it brings tears in my eyes to imagine you running through a field with Ava. I love you so much Nicole and your story will be told and your memory will live on. I will see you again my love.

“ *I extend my deepest sympathy to Nicole's family. I had the pleasure of working in her classroom for the last 3 years. Nicole has a love that cannot be expressed in words but can be experienced from the moment you enter into her presence. She is one of Jesus's perfect creations. I will always remember your smile and your tears when you were worried about your family. My heart smiles in the thoughts of the joy you are experiencing in the company of Jesus and his children.*

“ I had the pleasure of getting to know Nicole working as a sub in the classroom and my son Alan was a classmate of hers. One day Alan came home from school and told me
“That Nicole is really something, she always tries, no matter what it is, she does it. I really respect her for that.” I had to agree with him, I always respected and admired her never give up attitude. May that “never give up attitude” live on in all of us.

“ We are truly sorry for the loss of Nicole and her Mother. Nicole was such a sweet girl, as our family had known Nicole for a long time. We will miss her big smile and her laugh. She sure loved her family so very much as she would always be talking about her Mom or Dad or siblings. She was also loved very much by her classmates and teachers. As for her FAMILY- Let GOD wrap his arms around you all and give you strength and LOVE. Know that Nicole and your Mother/Wife is looking down on you all and remember all the GREAT memories you shared with them!!! God Bless and you are all in our prayers.

“ Dear Nicole,
We want you to know how much you were loved. A visit with you was a breath of fresh air; an experience that would always put a smile on our faces; a rose opening to the morning sun; a gentle rain on a summer evening. Your smile and sense of humor were unbelievable! Yes, you were loved & a special child from GOD. We'll miss you greatly, but look forward to the time we will meet again.
Love,
Andy & Chris
