“ Orville was the best neighbor and friend anyone could ever ask for. We enjoyed going with him to the flea market and to one of his favorite places for a grouper sandwich! He always talked highly of all his children that he was so proud of. We will miss you Orville! Our most sincere condolences to his family. In our prayers,

Sad news to hear of Orville passing. He was a fascinating person to converse with and extremely kindhearted. I will cherish the many conversations we shared on a daily basis. He will certainly be missed by all his neighbors at his Florida home. Rest in peace.
