“ With sincere sympathy to Patty's family. I was so shocked and saddened to receive the news of Patty's passing. Although I live in Madison, The Lighthouse has been a frequent stop for projects at our Spread Eagle cottage, and conversing with her was one of the best aspects of those visits. Although I did not know her socially, it was always evident that Patty was a very special person. I will be among the many who will miss her.

“ My sincerest sympathy to the family of Patty. I really got to know Patty years ago when she lived next door with my cousin Pammy on the Northside. It's very hard to lose someone when it's not expected, but have peace in knowing she is with the Lord and is watching over you all right now. Keep your happy memories alive by talking about them and that will help you through this difficult time. My sincerest sympathy- Kristen (Lindholm) Benedict
