“ So many wonderful memories of Aunt Patti: trips to Iron Mountain, trips to Texas in the Yellow bus, visiting us in Gladstone and Garth, her visiting Uncle Joe and me in Madison and many more. She was always full of fun, laughter and love. She will be missed.

“ I also worked with Patti- mostly laughing- some of the things she said were so outrageously funny- the one thing I remember with Patti is when she was telling us her plan when the world would END- she was going to store a lot of chickens in her freezer. Yes that was her plan. We worked many years together. She was a wonderful person- I am going to miss that short ,loving person. My sympathy goes out to her family

“ Worked many years with Patti and everyday was a treat . She was so much fun and a wonderful hairstylist. And her baking was a gift. There are too many stories to share . I remember when I first saw Patti she was driving her big black car you could see her just in the steering wheel she was so short and when you were in her car she would say lift up the floor mat that covered the holes in the floor that was her air conditioner . So many fun times especially when we had our manhattan s. Going to miss her . I will never forget her. My sympathy goes out to her family .

I first met Patti during the winter of 1943. Our family came to Iron Mountain to visit my Grandparents who lived in the 800 block of West Hughitt St. Patti and her family lived across the street from me Grandparents house. I remember my Aunt Delores and Patti's Mom pulling us around the block on sleds. When we moved to Iron Mountain to live in 1946 and I would stay at my Grandma's house Patti, two other kids from the neighborhood and I would play together. We continued our friendship through grade school, jr high and high school both graduating from the Iron Mountain High School in 1957. I will remember Patti as a caring, helpful cheerful person. Wilma and I will hold her in our thought and Prayers. Bill Verrette.

With heartfelt Sympathy

While living in Iron Mountain; Patti was my best friend.

We were together for many many good times as well as some not so good times. That is what friendship is.

Her funny uplifting way always made me laugh, I have missed her these last years of not being in Iron Mountain.

I am so thankful Meredith, Allison and I were able to see her last September. It was like we talked every day. I will miss her. I am thankful for the awesome memories we shared.
