“ *Patty,*

You are my little sister. I wish you God's peace, and I know that he is holding you close and safe. Free from the pain we now know that you dealt with for so long. Always know that we as a family will take care of Shannon and Ashlee. They are our priority. I will miss you more than you ever knew. You were my buddy and prankster pal. I have not dealt with my personal loss yet, and I dread it. You will always be in my heart, and I love you forever even though you are not physically with us.

If you could've seen the people that have shown their love for you....I believe that you did. I feel you with me, please don't ever leave the place in my heart that you are at. I love you more than life itself. I think that you know that I always have.

My love to you forever.

Your sister,

Lori

“ I had just heard the news and am sorry for your loss. I knew Patty throughout school and graduated with her in 1981. I played trumpet with her and also in the Shoreliners (Northernaires) Drum & Bugle Corps. She was a great person and funny. I do have a story to tell from back then. During one of our horn breaks at the corps hall, we all went outside and was standing on the side of the building. A german shepard from next door had gotten through a fence and bit Patty in the butt. I chased the dog away but we had to bring her inside and hold a bandage to her backside until she could get home and get some medical attention. I felt weird at 14 years old holding a bandage to her butt.

I do have a picture of Patty from marching in a parade I can forward. There are many pictures on the Northernaires website at www.Northernaires.net to view.

“ Shannon and Ashlee, I just want you to know that you will be in my thoughts and prayers for a long time to come. Your Mom was a great lady and a joy to work with. We had alot of fun times and laughs through the years and her one "true joy" in life was the two of you. She was so proud of both of you and could not have loved you more. I will truly miss her as well as your beautiful faces around school. God Bless you both and know that you are loved. Gods Peace to you. Love, Ms. Wanda
