“ Our deepest sympathy in the loss of your dear sister. "Patty" (as Nancy called her) was a very dear friend for many years to our sister, Nancy. Those kids (Patty, Nancy, Jimmy, Tommy, and Mary, and many others) really knew how to be true friends to one another and also knew how to have a wonderful time when they were all together. Thinking of you at this sad time but will always remember Patty and her enthusiasm for life and her precious smile.

*With deepest sympathy,  
The Kadletz Family*
