“ Sorry for your loss Pat was a great guy and we were friends. 1967 he and I painted a house that was stucco. I can't tell you how many gallons of paint we went through but believe me it was a lot. Again my prayers go out to him and the family,. God Bless Richard Bureau

“ Lani: So sorry to hear about Pat. I loved taking care of Pat when I was working for Home Health. He was one of my favorite clients. We loved watching golf and baseball together. I never remember him not having a smile on his face. I will think of him often and keep him in my prayers daily. Again, my thoughts and prayers are with you.
