“ I hold such fond memories of you,Pauly (as we all used to call him when we were young) with that engaging smile of yours~one side smiling wider than the other. The summers were always made more exciting with our trips to Iron Moutain with the dog,Pumpkin and our Aunt,Darlene in tow. She was so sad to hear of your passing...we cried together on the phone as she recounted the great memories shared between the two of you during one week every summer! The good old days when innocence still prevailed. I'm so glad our girls,Paige and Ava had the chance to meet you and experience your pizza-making skills. You were and always will be the mysterious cool cousin. May you rest in peace and keep smiling upon us all.

“ My condolences to Paul's family.
I was shocked to hear of his passing. Paul was with me in grade school, jr high and we graduated from the same class. I remember Paul being a funny kind of guy. Everyone liked Paul. He used to banter back and forth good naturedly and sometimes when the other person got him, Squeek would get this expression on his face that was priceless. I just wish that someone had captured it on film. Squeek would have been a hit on Saturday Night Live!
Paul has left us way too early.
May he rest in peace.
We will all see you again someday Squeek!!

“ You are a kiss... like you always say. You will never know how much everyone misses you. It's so unreal. The only comfort I have through all of this is knowing that you're with Big Al-hopfully behaving yourselves. May you live in peace in eternal light, and shine it upon us. We all miss you so much. You will always be in our thoughts and prayers. Love you-

“ *Fadel and Mary and family:*

I'm so sorry for your loss. Paul was a "one of a kind character". He was quick with come-back lines and had a wit like a stand-up comedian. He could make people smile and laugh with his gift of humor. To top that off, he was an excellent cook, a wonderful dinnerhost, and all around good man. He was a master of steaks on the grill, cooking walleye, and reproducing his Grandmother Mary's Syrian food. Your loss is heaven's gain. I think the angels are eating well. ... With prayers and sympathy, Alice Reed
