“ So sorry to hear of Uncle Paul's passing. My thought and prayers are with you all. It has been far too many years since I have seen you, but I too remember fondly those July 4th picnics. I remember Uncle Paul's beautiful big smile.

“ Uncle Paul was a truly great man. He was always positive and upbeat and generous and helpful to anyone who needed assistance. He was so gentle of spirit that the worse thing I ever heard him say about anybody was when he was irritated with Auntie El he would refer to her as " your ever-lovin'Aunty".

*Marsha Bilsky said about his life " he couldn't have done it better".
What a great tribute to an awesome man.*

Uncle Paul, I will miss you more than words can ever say and I feel so blessed to have had you in my life,

“ I'm sorry to hear Uncle Pauly has passed & wish the weather had been better. I really hoped to join everyone in saying good bye and honoring a wonderful Uncle. I can hear his laugh & see his wonderful smile. As time passes may our memories of this wonderful man replace the sadness and emptiness we feel now.
