“ So sorry to her family of her loss. Paula is a beautiful soul and I was lucky to work with her. She loved her family so much and every time I see Aaron Rodgers on TV, I laugh in thinking of her crush on him. Thinking of you all! She's with her beloved dad and mom now.

“ I'm so sorry to hear of Paula's passing. I started my nursing career at Crystal Falls Hospital many years ago and your mom was one of my many mentors! She was a amazing nurse and always had a smile on her face and a great sense of humor. I always felt at ease when I worked with your mom as her personality was contagious and she was so great to work with. My condolences to her family. Hugs and prayers to all of you!
