“ No matter what kind of day anyone was having Paulette always made it better. Just her smile, her wink, her gentle words brought a calm to you. Her smile, laughter and gentleness will live on in many memories that will be cherished forever. Her faith in God was so evident in everything she did. She is with Our Father and shining down on all of us. When you need that little something to make your day better, just look up and you will see her smiling at you. God Bless you Paulette.

“ You have my deepest sympathy. Paulette was a wonderful person who will be sadly missed. I was the manager at C.J.'s Ultimate Outlet when I first met her. She always had a smile and a friendly greeting for all. After the store closed I looked forward to grocery shopping just to get to chat with her. I will always have fond memories of her. God bless you and keep you.

“ Paulette was a beautiful woman with a heart of gold. She touched many lives as well as mine. She was a great friend and a wonderful witness of faith. She was a good friend to me in my time when I needed a friend to listen. For that I will always be thankful. Your family is in my thoughts and prayers, and I apologize that I couldn't make her funeral. I moved out of state. Again I am so sorry for your loss,

“ We always enjoyed bumping into Paulette here and there around town, most recently at Super One when shopping. We have many memories of swim meets and trips to meets when all of our kids were swimming. Those are good memories. We had a good group in those days. We were saddened to hear of her illness and passing but know that she trusted Jesus and we know we will see her again. That undoubtedly is a great comfort to you too. Again, all our sympathy to all of your family.

“ Ken, Kim, Kristin and family,

My prayers are with you all as you cope with your loss. I will miss Paulette's smile and conversation at Super One. She was an efficient worker and I knew she would check me through quickly. However, I chose her line for the conversation and because she had a warm, caring presence that always made me feel special. She could actually make each person feel that they made her day better rather than the opposite. It was really her who was making her customers' days better. She knew just what to say and was always so kind. We met years ago in aerobics and then saw each other over the years during swim meets and tennis meets. I'm glad I had those times to get to know her.

“ Ken, Kimberly and Kristin, I was so sorry to hear of Poaulette passing. I have so many fond memories of Paulette. The one that sticks out the most is when I taught her how to drive over twenty years ago. She was nervous but excited. Out we went on the main streets of town. I have to say there was tension in the car but once we got passed the nerves, nail biting and alot of braking, we had alot of laughs. It took a week but she passed with flying colors. I am sure she will be doing alot of teaching to others where God wants her to be, with Him. Paulette surely will be missed by all. Remember Ken, Paulette is not gone, she is just away. “ Ken, Kimberly, and Kristen,

We are so very, very sorry to learn of Paulette's passing. We have lost a sweet, beautiful, woman of God but we can rejoice in the knowledge of her salvation. I pray that you are feeling the comfort of God's presence as you go through this valley.

Lee and I are in Gulf Shores AL for the month of January so we will be unable to come for her funeral. I am so sorry that we cannot be there.

Proverbs 31: 28-31 NIV

*28 Her children arise and call her blessed;
her husband also, and he praises her:*

*29 "Many women do noble things,
but you surpass them all."*

*30 Charm is deceptive, and beauty is fleeting;
but a woman who fears the LORD is to be praised.*

*31 Honor her for all that her hands have done,
and let her works bring her praise at the city gate.*

“ Dear Paulette's family, I was one of those people who would stand in Paulette's line, she got to know me & I got to know her. She always went out of her way to help the customer no matter what. A year ago I held a benefit for a good friend of mine, Paulette make cookies/bars for the sweet table, came to the benefit and won a prize. She was the type of person that touches your life for a moment but it stays with you forever. She is home with God now. When you see the sun poke out from behind the clouds think of Paulette, the little ray of sunshine. With my deepest sympathies.

“ Paulette was someone who always looked for the good in everyone. I will never meet anyone like her again I am sure. She was so proud of her family she always had her beautiful smile for everyone. I am so lucky to have known her wished we lived closer we became friends at church and Sunday school when we were little . She was always close to her church and had such a strong faith from little on. She stood up for our wedding and when I changed to Catholic she understood why I did it and said to me ... you do what you need to do there is only one God where you pray does not matter but where you pray with your family together does God is the same God and he knows you are there where ever church you are at he hears all our prayers . She was one in a million. You were blessed if you knew Paulette. Gods Speed Paulette and Family you are in my prayers and my thoughts. It was way to soon.

“ My heart breaks for the family of dear Paulette at this time. What a blessing she was to everyone who met her - even at the checkout at Super One! I was in a Bible study with Paulette years ago, and enjoyed her friendship and her cheerful and sweet demeanor all the time. She definitely exhibited the love of God wherever she was. God bless each of you with strength and peace as you go through this sad time together. Know you are being upheld in prayer.

“ My sincere condolences to the family of Paulette Johnson. The Bible calls death an enemy and that's certainly how it strikes us, as an enemy. Take comfort in knowing that the loving God who created us did not want us to suffer in tears of pain. "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces."Isaiah 25:8 I

“ Although I did not know Paulette well and only knew her as my favorite "checker" at Super One I am saddened to hear the news of her passing. She was a wonderful and kind lady who always put a smile on my face, if there were an available checker, I would stand in line just to say hello to her and always left with her kindness making my day. It was a true honor to have crossed paths with her, she is now in Heaven passing on her smiles and kindness to all. God bless your family at this difficult time, Paulette was truly an Angel on Earth.

“ We have know Paulette for many years, and have never known her to be anything but sweet and gentle, putting others before herself always. I too am a fan of her check-out line. No matter how long it was, I would wait. She always lightened my day. I will miss her dearly. Grocery shopping has not been the same since she left the store. She was a lovely person, and in my world, her gentleness will be greatly missed. Our sympathies to you Kenneth and your lovely family.

“ Nearly 30 years ago I had the pleasure of having Paulette in my aerobics class at the old Westwood School. She was such a sweet person and always so happy. Of late, I've enjoyed talking with her at Super One when I shopped. I actually would choose her line. My thoughts and prayers go out to her family. I will miss her smiling face.

“ I am sorry to hear of Paulettes passing. I was friends with Kristin in grade school and talked to Paulette all of the time at Super One. She was always so kind and asked how my family was, knowing of my own mothers passing almost 3 years ago. She is in good hands. I know you have many wonderful memories of her. She was a wonderful lady. I asked my pastor when my mom died why he took her because she was such a great person. His response was "God only wants the good ones Kristin". This made a lot of sense to me and put things in perspective. It's not fair but she is in a great place.
