“ *I worked with Perry while he was in the City of Iron River. I leaned on him for many items relating to our jobs and life in general, and he was always willing to give me an open ear. We both enjoyed our time at Kermit's together. My prayers go out to his family, may you rest in peace buddy!* ”

“ I was so sorry to hear about Perry and extend my sympathy to his family. I knew Perry while having a business downtown Iron Mountain and he was the city manager. I admired his hard work and dedication, as well as his friendly and likeable personality. I know it was a tough position to hold...he did a great job with everything considered.

As Perry's real estate sales mentor and long time friend, I am devastated by his death. We had so many positive things going on, I just can't come to grips with his choice. A kind and considerate soul who rarely had anything negative to say about anyone. RIP friend.

“ Perry and I grew up together and were as close as brothers. We shared so many experiences together, which makes this all the more difficult. Perry was a special person, one you come across once in a lifetime. He enriched the lives of so many, especially mine. He taught me so much, the love of the outdoors, love of music and his passion for cooking. Perry helped me become the man I am today. Very few people get to experience the kind of friendship Perry, myself and Randy had together. I will miss him more than I can say but I know you know that.

To the family, know you are all in our thoughts prayers. We are available and would love to come to IM and be apart of saying goodbye with you. May the love and peace of our Lord be with you during this most difficult time. We love you!
