“ I was truly saddened to learn of Pete's passing. Unfortunately through the passing of time we'd lost touch with Pete and his family. That happens as our generation grows older.

*Pete was a very grounded individual who dedicated himself to his family and to his work. His contributions in the military were only transcended by his loyalty and dedication to the company he devoted his life to.*

*Married to my cousin, Dolores, he was a welcomed member to the family. His presence will be truly missed by all who knew him.*

*My condolences to the Peter Tarenski family. I am so very sorry for your loss.*

*Love and Gentle Hugs, cousin Gene*
