“ *Doris, Tricia & family,*

I just received the news yesterday, Saturday, of Phil's passing. It has been such a long time since I have seen Phil & Doris. But know this that you and your family are in our thoughts and prayers. I remember a lot of great and fun times while working together with Phil and the rest of the "Old gang" at Elkhorn Light & Water. Those memories I will always cherish and hold dear to me. I so appreciated the time Phil took teaching me the different aspects of working for a Utility. Remember all the great times as you gather today in tribute to Phil's life.

Best regards, Gary Kostenko & Family.

“ *Phillip was not only a treasured friend but more of a father to me than my biological father. I remember when my mustang was a POS and Phil went car shopping with me. The care dealer made some crack about my car being a POS and Phil said "why do you think she's here?!?!?" I love you and miss you~Laurie Washburn*

“ Well now who is go help me cut my firewood? Who am I going to call when I need help with something? My best friend is gone, but I will Never forget YOU. You have been gone for a few days and I'm expecting a phone call from Phil, asking what I was up to.
